I'm not sure when I first heard the word 'Emoji' – but they're all the rage these days! Back in the dim and distant days of 2012 or so we made do with a smiley face and a sad face, but now there are millions of the buggers – as Lucia here's happily demonstrating!

"Like everyone I probably use them too much!" she confesses, "but sometimes it's a lot easier. After all, a picture, even of a little yellow face, can tell a thousand words!"

You're telling us! And anyway, we're sure you'll be giving our readers smiley

## Mate's Rates

**T**he dirtiest thing my husband and I have ever done happened one night when a mate of his was staying round.

We'd been out boozing and when we got back they put a porno video on. I felt a bit uncomfortable but I couldn't keep my eyes off the steamy action on screen.

Then my husband put his hand up my skirt and started rubbing my cunt. I looked over to see if his friend had noticed and I saw he had a big bulge in his trousers.

My husband started kissing me and I felt his fingers slide up inside me. Soon I was so horny I didn't care if his mate

## CONTACT ME

was watching.

He pulled my skirt up to reveal my wet shaven pussy. As his fingers rammed into me I heard him ask his mate if he wanted to fuck me.

I felt his mate's hands touching my tits and then his tongue licking my nipples. I undid his hard cock and released it. I took it in my mouth and sucked him off.

My husband gave his mate the OK and told him to give me a good seeing to. I felt his cock slide into my hole and he fucked me hard and fast from behind.

I reached down and started rubbing my clit while he banged me and I was soon cumming.

I kept cumming while my husband sucked my tits and wanked.

Then I felt his mate pull out and my husband turned me over in time for them both to shoot their cream all over my tits.

Now we fantasise about another woman joining us for the night – interested?

## Garden Me!

**O**n a recent holiday my hubby Darren wanted to take some naughty pictures of me in the grounds of the hotel where we were staying.

Having taken a couple of pics of me flashing my tits and arse, I noticed the young groundsman pruning roses. He was a fresh-faced bloke in his early twenties.

I suggested to Darren that we ask him to take our photo together. I made myself respectable and we strolled over. He said he'd be delighted so Darren and I sat on a garden bench.

As the gardener (Geoff) was focusing I pulled the hem of my skirt up to reveal my stocking tops and suspenders pressing into my soft fleshy thighs.

By the time he took a second shot Geoff was somewhat flustered and had a distinct bulge in his jeans. Just as Geoff was about to take another photo Darren opened my coat.

My jugs spilled out and Geoff gasped. I opened my

After a couple of minutes, and with Darren's finger up my arsehole for good measure, I came. Then I got onto the floor on all fours and thrust my arse invitingly towards Geoff.

Darren knows I like a bit of anal so he leaned over and pulled my cheeks apart, inviting Geoff to dick my bum. Nudging his slippery cock against my ring, he slowly pushed his weight forward.

My arsehole relaxed and he eased home right up to his nuts.

Darren shoved his cock in my mouth so I was being fucked at both ends at once – that felt great!

I could tell from the noises Geoff was making that he was about to cum. I pushed back on his cock before he pulled out and shot his load over my arse.

### Four Whore Score...

Seems a bit unkind, calling the four slappers who get their rocks off in this flick *Depraved Fuck Whores*. Still, there's no doubt they all go at it in fine style, although whether being shagged and spuffed on really counts as depraved is arguable (especially in their line of work). Either way, Denise Sky is worth keeping a (Jap's) eye open for...

## THE LIFE OF CREAMPIE!

*Internal Damnation* – a cunning title that. At least top analist Jules Jordan clearly thinks so, cos he's used it ten times now. Yet again this one features some of the filthiest flampers in the business getting royally rammed (most often in the rump) before their studs finish themselves off with a pop inside. Tattooed strumpet Karmen even takes two monster cocks up her jacksie at the same time! Check out the download from Blissbox.com.

### Dear Julia

The pictures of Kaz on page 16 and 17 of Escort 36.01 had me salivating with lust! It looks to me exactly like she's saying, "Would you like to taste my juiced-up slit? I don't know what the world record for cunnilingus is (I'm hoping there is one) – but I reckon I could lick that delicious-looking cunt of hers out for hours and hours without getting bored. Mind you, my balls might explode if she didn't return the favour now and again! I bet her delicate pink folds taste absolutely divine! And the picture on page 17 suggests she might fancy a bit of a rimming from time to time as well. If so, I'm right here for her!

Les, Harrogate.

**Julia says:** We all fancy a good old lick at Kaz's juicy pink twat, Les!

## DEAR JULIA

### Dear Julia

Unlike Roxi (36.01) I'm afraid I did over do it a bit at Christmas, and now I need to lose quite a few pounds to get back in shape. I was thinking perhaps I ought to look for a personal trainer, and then I figured that Kaz herself would be a perfect fit for the job! She'd certainly get me motivated to get along to my session, what with that wonderful bald snatch of hers and those perfect ripe boobs! Who knows, perhaps we could even do a little bit of exercising now and then as well? Frank, Deal.

**Julia says:** Roxi would be the most greatest personal trainer ever!

## LICK MY DD'S

Well, it'd be rude not to, wouldn't it? This tit-tastic offering from Brazzers features a cornucopia of colossal cup-sizes, all begging for a slippery tit fuck and a drilling. We especially enjoyed the opener, in which savvy cop Marco sets up a line-up of big-titted suspects because the witness only

say her boobs. And sure enough, Alison Star jets her just deserts – splashed all over her magnificent norks!

## HARD HEARTED

Nothing say 'I love you' on Valentine's Day like a glass dildo adorned with red hearts, does it! The Prisms Hearts of Desire Glass Dildo is the ideal gift for those that like sex toys with a firmer feel. A curved shaft and smooth, rounded tip makes it easy to stimulate her G-spot, or for up-the-bum fun male P-spot massage. Each heart is raised providing extra pleasurable friction, and can be used silicone or water-based lubes.

# REAL WIFE SEX

*To puts in a couple of extra lengths!*

"I took a cock in each hand and began licking their helmets, switching my mouth between them..."

All my life I have prided myself on looking my best, so after I had my daughter last year, I've worked really hard at getting back into shape. Being pregnant suited me and I didn't put on much weight, so it was mostly toning up my flabby bits again.

The thought of going to the gym filled me with horror, though, so I took up swimming instead. And I've kept it up, going any day I can rope in a friend or family member to baby-sit for a couple of hours for me. As well as exercise it gives me some time to myself – I love being a mother, but sometimes I just need to get out and be me, something which I'm sure most new mums feel at one time or other.

The pool's usually reasonably quiet at the times I go, but I soon got to know a few of the regulars by sight. Among the swimmers I'd often see were two lads in their early twenties, who used the little gym attached to it and swam a few lengths afterwards. They were both friendly lads and, after a while, I noticed them watching me as I got out of the pool. Although I'm 35 and married, I'm still human and felt flattered, so I'd have fun – harmlessly flirting a little and bantering, loving the effect I was having on them. My husband always calls me 'Mummy' nowadays, so it was nice to have someone go, "Alright, lovely?" whenever they saw me – even if it was in jest!

Last week, though, the harmless flirting got a bit more serious, something I never seriously imagined would happen. I had the pool to myself when they turned up, pumped up after a gym session. I was doing lengths as usual and, when I reached the shallow end, one of them – Jake – swam up to say hi. He was really giving me some chat this time, flirting outrageously. I stroked some wet hair out of my eyes, flashing my wedding ring at him to remind him I was taken, but he didn't seem bothered.

Yet again, I thought how gorgeous he was close up – big brown eyes and a really fit body. And then his mate, Ant, came up behind me, and put his hands on my hips. I still don't know exactly what got into me – I just thought, "Fuck it..." leaned back, craned my neck and gave him a lingering kiss.

There was nobody around, luckily, not even a lifeguard – so there no one to say us a word to us about our behaviour. Even though the water was slightly chilly, I saw they both had massive hard-ons, their wet trunks clinging to the outlines of their cocks. A minute later, I was knelt down in a deserted group changing area with both of the guys standing in front of me.

I took a cock in each hand and began licking their helmets, switching my mouth between them, savouring the salty flavour as it spread over my tongue. I lowered

my mouth down and sucked on Jake's for a minute, but when I tried to pull away again he gently held my head in place.

I used to swim in a one-piece when I first started swimming here, but in the past few weeks I'd felt confident enough to wear a bikini, especially now my tummy was pretty flat again. As I got stuck in to Jake's hard member, I felt Ant behind me, pulling the bottoms down to my knees, giving him full access to my pussy.

Every time he dipped the tip of his finger inside me, it got me sucking harder on Jake's knob, taking it in deeper so it touched the roof of my

mouth and hit the back of my throat.

When I finally came up for air, I asked the lads not to come inside me. Again, I may be in my 30s, but one child was more than enough for me – and I certainly didn't want a baby with either of these two youngsters!

"Can we come ON you?" asked Ant, and I agreed readily. I was feeling so dirty now I wanted to act like a slut. I felt Ant's swollen helmet pushing gently at the opening to my pussy

"I felt Ant's helmet pushing at my pussy."

## Veni Veni Veni

**M**y husband and I were recently invited to a toga party at a friend's house.

We thought it would be a great laugh so we both got costumes. My husband suggested I wear my toga with no underwear and I readily agreed.

When we got there the party was in full flow and

everyone was decked out in togas. My husband started chatting to a work colleague who was absolutely gorgeous.

Later on in the night we were all pissed and my husband's Greek god of a colleague came up to me. "I hear you are wearing no knickers," he said.

I was shocked that my husband had told anyone, let alone this man I didn't

even know. Then he told me he thought a girl wearing no knickers was very sexy and I was flattered.

Being pissed, I then asked him if he was wearing any underwear. He suggested that if I wanted to know I should have a feel.

I put my hand up his toga and felt his large, semi-hard cock.

I started to wank him off right there in that room full of people, which I found quite a turn-on.

He asked me

if I fancied going outside to get some fresh air. We went out and he pushed me up against a wall and started to kiss me and squeeze my tits hard.

Then he put his hand up my toga and started to rub my clit.

I gasped as he pushed three fingers up my soaking wet cunt.

As he fingered me I suddenly heard a familiar voice demanding to know what was going on. I turned around to see my husband.

But far from being livid as I had expected, he was standing there with his knob in his hand, slowly wanking himself off. He told

me I was a naughty girl who needed punishing.

He turned me round so I was facing the wall and he and his mate started spanking me. As my pussy got wetter, my husband told me to turn around.

I did as I was told and was presented with two hard cocks to play with. I started wanking and sucking them both off as my husband's mate unfastened my toga and opened it at the front.

He knelt down in front of me and started to lick my pussy while my husband sucked my hard nipples. I was then told to lie on the floor, which I did.

My husband spread my legs so my pussy, ready and wet, was exposed. Then he pushed his cock right up me and started fucking me.

While my husband fucked me his mate stood over

me and fed his knob into my mouth. After a while my husband told me to sit on his friend's cock.

I straddled his mate while my husband pushed one and then two fingers up my arse.

Then he took them out and put his cock just inside my arsehole.

He pushed it a bit further inside before ramming his entire cock up my tight backside. There I was riding a stranger while my husband fucked me like a bitch in heat.

Just as my husband was about to cum he pulled out and sprayed over my arse. His friend did the same, pulling out of my mouth and spunking over my face and tits. Admittedly it wasn't a full on orgy, but I don't suppose the Romans could have done much better!

Angie, Blackpool.

Me and a few mates went to a pole dancing club for a laugh a year or so ago, and as well as getting incredibly turned-on, it occurred to me that I could do that myself, so the next day I went back, had a chat with the manager and, well, he gave me a chance. I love to pick one guy in the audience and really try my best to turn him on – it doesn’t take long, usually! They always want a private dance!”**

## Fare's Fare!

**A**fter a heavy night on the drink my husband Paul and I flagged down a cab, one of those big black ones with plenty of room in the back.

A short way into the 10-mile journey Paul stuck his hand up my dress and between my legs. To his surprise and plain delight he found I was not wearing any knickers.

so he could 'finish this bitch off'. The next thing I knew I was on all fours with my arse sticking out of the open door.

Paul had his cock in my mouth and the cabby was banging my very wet cunt from behind.

It did not take this total stranger long to fill my cunt with his cream. As soon as he finished he carried on driving us home and Paul finger-fucked me the whole way

## “PAUL BENT ME OVER THE TABLE AND PULLED MY DRESS UP.”

He was straight into my already wet cunt. Before I knew it he was then in between my legs pumping away. I had my legs spread as wide as possible, hoping the driver could see what was going on.

Then Paul shouted to the driver to pull over to a lay-by

there.

He loved to feel my cunt full of another man's spunk.

When we got home Paul told the driver to park up and come in for a coffee. As soon as I walked into the kitchen Paul bent me over the table and pulled my dress up over my waist.

When the driver came in

all he could see was a pair of black stockings leading up to a nice round arse and a very excited cunt, to which all he could say was, “Fucking hell!”

At this my husband offered him the chance to fuck me again, and this time he wanted to see it. “Go on, she fucking loves it!” he implored.

Paul then shoved his cock in my mouth and I

**DEBBIE, NORTHEAST.**

felt the cabby enter me for a second time.

Paul's eyes lit up when he saw the driver plunge his fat cock inside me.

The stranger started to pump his cock in and out of me and Paul slapped my arse and shouted at me to buck like a dirty slut, which I was more than happy to do.

It was not long before my

cunt was being filled with spunk again.

As soon as the driver's nuts were empty he sipped up and left.

After that horny experience I am now looking for a horny bitch – or better still a randy couple – to join me and PAUL for a night of fun.

Debbie, Northeast.

**"I love dominating men," she tells us. "There's something about making them squirm as they worship my body that gets me extra horny! I've been known to sit on a guy's face for an hour or more – they always seem to enjoy it, if the evidence in front of my eyes is to be believed, and I can come off three or four times, coating him with my sticky juices! If he's really tried his best I might let him fuck me as well, although they never last long! Still, there's plenty more where they came from..."**

# REAL WIFE SEX

Stacy's story continued from page 23

"He stayed in me as I frigged my clit..."

Guys that young don't tend to last long. Jake was holding out, but Ant was soon struggling, pausing to control himself, then only managing a few pushes before he had to stop again. I signalled him to come around in front of me, and he stood there, throbbing, as I squeezed just under his helmet – a trick I know to calm a bloke down!

Jake saw his chance and nipped in behind me, ramming his hard-on in my cunt and fucking me to the brink.

"Stop," I told him. "Just push in deep..." and he stayed in me down to his balls, as I frigged my clit to orgasm. As my groans and spasms subsided, Jake pulled out. He said he'd never felt a woman come around his cock before, which is where age and experience win, I suppose!

I had two cocks in front of my face now, glistening with my own cream. Jake wasn't quite as close to coming as his mate was, so I started with him, snaking my tongue around his

before he slammed inside me forcefully, shoving my mouth forward onto Jake's prick. I just let him set the pace, and wrapped my hand around Jake's shaft, setting

how deep he could sink into my mouth. Otherwise, I let them both fuck me as hard as they liked.

length and scraping my teeth – very softly – over his tip, making him tremble. I then turned my attention to Ant. I had literally just closed my lips over the top of his bell-end when I felt the first little spurt of spunk in my mouth.

I arched up, wanking the pair of them furiously, taking two loads simultaneously all over my tits and face like a pro. I rubbed the creamy fluid into my skin before kneeling back on my haunches, letting them watch as it dripped down over my flat belly to my fair pubes.

I expected to feel a bit more guilt about it than I do, but – as stupid as it sounds – I felt like I was someone else when I did it. I certainly wasn't 'Mummy' anyway!

I've told them it won't go on forever, but I'll be after regular 'workouts' for the foreseeable future, starting with the following week!

**"Me and my fella are always on the lookout for new places to fuck!" says Emma, scoping the joint to see if she can find anywhere suitable during this shoot. "Fire escapes are usually a pretty good bet – nobody ever goes ther, so if it's a quickie you're after, they can be a life-saver!"**

## Four Into One...

**H**ere are a few pics of my wife Tracy. They were taken on holiday last year by a group of young men in their 20s.

We went to a nightclub in search of a willing guy to satisfy Tracy's craving for younger cock.

give her more chance of being chatted up. After only a few minutes of being on the dancefloor the bait was taken.

Four young men started to stare at her as she danced alone. They were egging each other on to be the first to approach her. Then one walked up to her and asked for a dance.

Lads being lads, they were each showing off to the rest by going further with Tracy. Tracy being Tracy, she let them do it even on the crowded dancefloor in front of everyone.

They started by feeling her arse, and then they were raising her skirt so that the others could see her silver knickers.

She let them put their hands between her legs, rubbing her cunt and mauling her tits.

When two of them went to the toilet I followed them in.

I casually mentioned what I had seen. "Yeah," said one, "she's asked us to walk her

back to her chalet, and when we get there we're going to fuck the arse off her!"

As it happened, that was exactly what they did – for three hours! I sat in the car till I saw them leave. When I walked into our chalet Tracy was literally fucked.

## "SHE LET THEM PUT THEIR HANDS BETWEEN HER LEGS."

Tracy got tarted right up with black stockings, suspenders and a short skirt.

When we got to the club, I stood across the room to

She happily agreed, and one by one after that they took their turn with her. A few hours and many free drinks later they were having slow dances.

## View To A Thrill!

**O**ne night last month my husband Will and I drove into town for a bite to eat and plenty of fucking.

After a meal we went looking for a quiet back street

to fuck in. After a short while I told Will I was desperate for a pee and if he didn't stop soon I'd piss myself.

He pulled up and I jumped out and pissed right there by the road. It felt like I was pissing a gallon as it splashed on the pavement and ran down my legs.

While I was peeing a car

drove past very slowly. The driver stared intensely at me as I crouched on the roadside and pissed.

I finished and got back into the car. I was very turned on and so was Will. He had his big hard cock in his hand and he was

wanking it furiously.

I bent over with my wet piss-covered arse in the air and closed my mouth over his bell-end.

I swirled my tongue round his helmet and shaft.

As I sucked him off Will whispered to me that the bloke

who'd passed in the car was now watching and wanking. Will beckoned him over to the window for a closer look. I looked up to see the stranger standing just outside the door wanking a good-

She was lying there on the floor with her legs still spread wide. Glistening white spunk was oozing from her cunt lips, her hair was caked in it and her tits were literally dripping with the stuff.

As I eagerly entered her sopping minge she told me in great detail how they'd all cum deep inside her cunt, over her face and over her tits

twice each. From the way she looked, I believed every word of it!

It wasn't long before I gave her her ninth load of cum that night.

Now she wants young men to write to her about how they, or a group of them, would use her.

sized hard cock.

Will then shouted that he was cumming and shot his hot creamy spunk on my tongue and over my face. Seconds later the stranger followed, streaking the car

window with thick spunk.

He then zipped himself back up, thanked us for a fucking good show and went on his merry way!

## Worth a Ramble!

**L**ast year I went to the South West of France with my husband. One day he went fishing for the day so I went walking. I hadn't seen a soul in over 2 hours so I decided as the weather was hot I could lose some clothes and become a naked rambler. An hour later the path led me to a farmhouse. I was a bit nervous, but it looked deserted as I climbed over the style. As I had been walking for hours I decided this was as good a place as any for a rest. I sat behind an old building and relaxed in the sun. I had only rested a few minutes when I was suddenly aware of someone standing in front of me.

An old guy stood in front of me in overalls with a camera in his hands. He spoke to me in French but I didn't understand. By the bulge in his overalls he must have been watching me a few minutes. He led me to the farm house, sat me down outside and brought me a beer and then went inside and used the phone.

A few minutes later I heard a tractor pull up at the side of the farm. A young guy wearing the same overalls came around the corner. He was also tall and muscular and must have been in his mid-twenties. He spoke English and explained that his grandfather had not had woman for some time and wanted to fuck me as I

had made him very hard. I looked at the crotch of his grandfather's overalls – that was obviously some cock straining to get out, and as that was my fault I thought it was the least I could do to say yes.

He led me into the farmhouse and lifted me onto the table. He undid the buttons on his overalls and released a very hard and enormous cock. Standing in front of me and without any foreplay he just drove it straight into my pussy, thank god I was wet. God it felt good after the initial shock of entry. He proceeded to pound me on the edge of the table holding my legs apart with his rough hands. He couldn't last long and within a minute he was emptying his load in my pussy. Once spent he just withdrew and walked out.

I sat on the table feeling horny and now unsatisfied. No sooner had the grandfather left did the grandson come into see if I was OK. He stood in front of me looking at my open pussy and probably now his grandfather's sperm dripping from my pussy. I could see the bulge in his overalls god he looked bigger than his grandfather. Just get your cock out and fuck me. He didn't need to be asked twice. He was about 10" long, thick and hard.

I soon had my first orgasm. Jean (he told me his name later) picked

me up still with his cock inside me and carried me to a bedroom. He continued to fuck me for the next twenty minutes before my pussy got a second load of cum, and me 3 more orgasms. Later in the week he dropped off some of the photographs his grandfather had taken, hope you like them.

Imogen, Bucks.
